

A Story About Erections

<p>Sometimes I get an erection.</p> 	<p>An erection means my penis will grow and point forward.</p> 	<p>I cannot control when I get an erection.</p> 	<p>Sometimes it will happen in public when other people are around.</p> 	<p>Other people should not see my erection.</p> 
<p>If I get an erection in public, I should go to the bathroom and wait for it to go down.</p> 	<p>I can also sit down in a chair if that is easier.</p> 	<p>I can think about numbers or sports to help my erection go down.</p> 	<p>In public, I should not touch my erection. It will not help it go down.</p> 	<p>I should not talk about my erection. It is a private topic.</p> 
<p>Erections are normal and happen to all boys and men.</p> 	<p>If I get an erection in public, I might feel embarrassed.</p> 	<p>I can try different pants and underwear to help when I have an erection.</p> 	<p>If I have any questions I can talk to my parents or another trusted adult.</p>
